VI. Feedback and Complaints

FEEDBACK AND COMPLAINTS MECHANISM	
How to send feedback	Fill up the Client Satisfaction Form and drop it in the designated Feedback box of every office.
How feedback/s are processed	Every 1 st week of the month, the filled-up Client Satisfaction forms will be collected, tallied and filed by the Quality Assurance (QA) Staff. Then, the results will be given back to the respective offices. If there are any negative feedback/s, the office should answer by filling up a Corrective Action Report (CAR) Form. The committee will discuss the feedback during meeting. Once resolved, the client will be notified through their contact numbers provided in the CSS Form.
How to file a complaint	Fill up the Client Satisfaction Form and drop it in the designated Feedback box of every office. Complaints must provide the following information: - Name of person being complained - Incident - Evidence For inquiries and follow ups clients may contact:
How complaints are processed	The QA staff forwards the complaint to the CART Head and evaluates each complaint. Upon evaluation, the Anti- Red Tape committee shall start the investigation and forward the complaint to the related office for explanation. The committee will do further investigation and make a report forwarded to the related office for appropriate action. Once resolved, the client will be notified through their contact numbers provided in the CSS Form.
